System Requirements For Personal File Share:

Discord Steam Please allow me time to respond to any emails and/or PMs. I am working on the first update to Homeworld Remastered for a few days and have a planned release of an update this weekend. I'll post a link here as soon as it's available on Steam. Patch Notes: I'm going to be releasing 2 patches for this weekend. - The first patch will contain an update to Steam that will give the game a majority of the other fixes that I've been working
